The Proposal of the D.C. for enhancement of the present allowance of the President and Vice President to Rs 150/- and Rs 75/- respectively from 1-1-47 is not reasonable commencing the Davanagere Municipality with its income of more than 4 Lakhs of Rupees has not increased the allowance to the President and Vice President comparatively to its income and even in Bangalore and Mysore they are paid only Rs 100/- and Rs 50/- respectively to the Presidents and Vice Presidents with a view to the present increase of Dearness Allowance further the proposed enhanced amount in question is proposed to be met out of the closing balance as it had not been provided in the budget of 47-48. Sir,

In forwarding herewith a copy of letter No HC 98/47-48 together with the extract of the resolution of the Municipal council Tumkur, recommending for reasons set forth therein, that the allowances paid to the President and Vice President may be enhanced to Rs 150/- and 75/- respectively with effect from 1 1 47 etc , I have the honour to state that it is true that the work of the Municipality has increased now by leaps and bounds and in my opinion the remuneration of 50/- and Rs 30/- which is being paid to the President and Vice President respectively since 1920 is not commensurate with the volume of work turned out by them The council at their meetings held on 12-5-48 have resolved to pay a monthly remuneration of Rs 150/- and Rs 75/- to the President and Vice President respectively with effect from 1 1 47, the extra expenditure being met out of the closing balance of the Municipality

In agreeing with the Municipal council and the Municipal President, Tumkur, that the President and the Vice President have to pay particular and whole-time attention to the increased and many-fold items of work of the Municipality, I request you to kindly move Government to accord their kind sanction to the enhanced conveyance allowance of Rs 100/- and ~~xx 75/x~~ Rs 50/- p m to the President and Vice President respectively with effect from 1 1 47, the extra expenditure being met out of the closing balance of the Municipal funds

Letter No HC 88/47-48 dated 15th May 1948 from the President, Town Municipal Council, Tumkur, to the Deputy Commissioner, Tumkur

---

I have the honour to state that the Municipal council at its meeting held on 12 5 1948, in Sri Krishnarajendra Town Hall, unanimously resolved that the allowances paid to the President and Vice - President of this Council being very meagre, be raised from Rs 50/- and Rs 30/- to Rs 150/- and Rs 75/- respectively from 1 1 47 and that the extra expenditure should be met out of the closing balance in pursuance of a resolution tabled by Mr T N Kempahonniah The copy of the resolution along with the opinion expressed by the members during discussion has been herein enclosed for your information From the proceedings, it can be seen that the matter was discussed at length fully and sufficiently and an unanimous decision has been arrived at to enhance the allowances to Rs 150/- and Rs 75/- respectively for the reasons set forth both by the mover, the seconder and supporters of the resolution as recorded therein

The privilege of electing its own non-official president was conferred on this council as long back as 1940 and the then council fixed Rs 50/- by way of allowances to the non-official president The council has continued all along to have a non official vice president, since then and the allowances paid to the Vice President has been Rs 30/-

The population of the town according to census is as follows - 14,041 in 1921 18,196 in 1931 and 21945 in 1941 and to-day's population of the town is nothing less than 30,000 The income of the Municipality which was Rs 68,038 in 1927-28 has increased to Rs 1,42,183/ in 46-47 The area of the town which was 7½ square miles in 1925-26 and with the several extensions formed subsequently all round the town the area is increased extensively Consistent with the increase in the area, income of the council and population of the town, the establishment in all the branches of the municipal administration have also increased and proportionately the work of the President and the Vice President has increased The council considering the facts that the work of the municipality in all its branches has increased

increased four fold, the cost of index of living abnormally increased from 1942 onwards, the cost of conveyances being increased five fold, with a view to maintain the prestige and dignity of the offices of the non official president and vice president of this council and to give them better facilities and conveniences to effectively supervise, superintend and control the general administration and thus augment the resources and finances of this Municipality, the council has resolved to increase the allowances to Rs 150/- and R 75/- respectively Unlike the City Municipal Councils of Bangalore and Mysore, where the work of the President is limited in view of the existence of the Trust Board and - appointment of the Commissioner to supervise the general administration of the Municipality, the entire responsibility of the administration has devolved upon the president and vice president here

This is one of the very few municipal councils in the State that have earned the privilege of having a non official president quite a long time ago and the standard of administration of the council affairs has been quite good all along as both the members of the council and non official president and vice president have conscentiously discharged their duties co-operating with one another having at heart the welfare of the town and townsmen

Subsequent to 1920 various extensions such as Someswarapuram, Krishnaraja Extension, Jail Extension, New Mandipet area, poor house colony, middle class peoples' colony and so on, have been formed besides several other pending acquisitions This has increased the work in all the branches of the municipality Thus it can be seen that Tumkur is a fast growing town requiring greater attention and supervision on the part of the Municipality

The general discussion on the subject recorded during the proceedings disclose the fact, that all the members took part in the discussion and spent quite a long time in discussing the matter

threadbare

threadbare on all aspects in all its bearings and arrived at the unanimous decision The present council consists of cuite a good number of members who have been there for over 15 to 20 - years, indeed well experienced in the affairs of this council and they have felt that there is increase in the responsibilities and duties of the president and vice president year after year

For the fore-going reasons mentioned above, I request you to kindly recommend to Government to accord sanction to the - resolution enhancing the conveyance allowance to the non official president and vice president to Rs 150/- and Rs 75/- respectively
